

Our Ref: NS/DLE/Year11RevisingAtHome

Date: 24th May 2022

Dear Parents/Carers,

Year 11 have today been released so they can concentrate on their revision at home. This is in response to pupil feedback as many are so eager to manage their own revision time.

In the assembly with Year 11 we have reassured any pupil who cannot make their own way home to stay in school with us until arrangements have been made.

For today pupils who are entitled to Free School Meals may stay in school for lunch if they wish. Pupils who have their PE examination this afternoon will be housed in school until they have finished their exam.

Of course, pupils will still be supported by their teachers throughout this period. If pupils have any queries, they can email teachers directly. And pupils should attend their teacher-led immersion sessions prior to the exams as planned, where they will be registered. If they cannot attend their immersion sessions for any reason, they will be registered in their exams.

Pupils need to make sure they are in school for 9am for morning exams and 1pm for afternoon exams. As we have previously communicated, if anyone misses an exam, they will be charged for that exam. Full examination information here: <https://decschool.co.uk/summer-exams-faqs/>

Pupils will be invited back in for a special leavers' assembly after half term. We will write to you again with these details.

Yours sincerely

Mr D Lowbridge-Ellis
Associate Headteacher
