

Our Ref: DLE/Warm Weather

Date: 15th July 2022

Dear Parent/Carer,

Due to the extraordinarily warm weather forecast for Monday and Tuesday next week (18th and 19th July), we are giving pupils the **choice of coming into school on these days in their PE kit**. They may wear their normal uniform instead if they prefer.

At the moment, the temperature is forecast to decrease by Wednesday, so normal uniform (without blazers and jumpers) is expected for the last two days of term. If this changes, we will contact you again. Unless we inform you otherwise, any pupil who does not wear uniform on Wednesday or Thursday will be sent home to change.

Please ensure your child has a refillable water bottle with them at all times as we cannot provide plastic cups. There are water machines throughout the school building.

Reminder: pupils finish at 12.30 on Thursday 21st July, the last day of this term.

Thank you for your support.

Yours sincerely

Mr D Lowbridge-Ellis
Associate Headteacher

Mr R Prime
