Date: 6th December 2023

Dear Parents/Carers,

I hope that this letter finds you well. I am writing to provide you with information regarding some upcoming charity activities being led by our sixth form students in aid of Mind Birmingham. To find out more about what they do please scan the QR code at the bottom of this letter.

Please be assured all donations and fundraising Birmingham Mind receives stays here in Birmingham to help support the services they offer which in turn help the people who are struggling with their mental health. Services such as their 24/7 mental health helpline which offers crisis telephone support, signposting, advice, and guidance.

During the week beginning Monday 11th December, we will be replacing the breaktime Futsal provision in the sports hall, with a series of fun and competitive activities including cross-bar challenge, basketball free throws and hit the stumps. All of these activities will be shared and advertised with in forms on or before Friday 8th December. Students successful at each activity will be entered into a prize draw with a chance to win a small prize. To enable all students an equal chance of participating and thus donating to this wonderful charity, each year group will be invited to take part as follows:

Monday 11th December – **Year 7**
Tuesday 12th December – **Year 8**
Wednesday 13th December – **Year 9**
Thursday 14th December – **Year 10**
Friday 15th December – **Year 11**

Each activity will have two options available and to take part in each will involve a donation of 50p or £1. With this in mind, we are kindly asking students from each year group to bring some spare cash in with them on their assigned day. Please note, as the school ordinarily operates a cashless lunch system, we don't have a lot of change on site, so please avoid notes where possible.

As always, thank you for your continued support.

Yours sincerely

Mr R Prime
Headteacher
