

HSBC Degree Apprenticeship programme

Apply before
**11th Feb
2024**

HSBC are recruiting for their Degree Apprenticeship programme.

This structured 54-month programme will see successful applicants gain wide exposure to a number of different teams, designed to give them the skills, behaviours and attributes to forge a long and varied career within HSBC; all whilst working towards a fully funded BSc (Hons) Degree in Financial Services Management.

Wealth & Personal Banking Degree Apprenticeships

In Wealth and Personal Banking, our customers and clients want a service underpinned by a blend of modern digital capabilities and exceptional people. To achieve this, we provide personalised relationship management, a range of tailored investment solutions, as well as convenient mobile platforms.
