

Sixth Form Leadership Team – Supporting our school vision

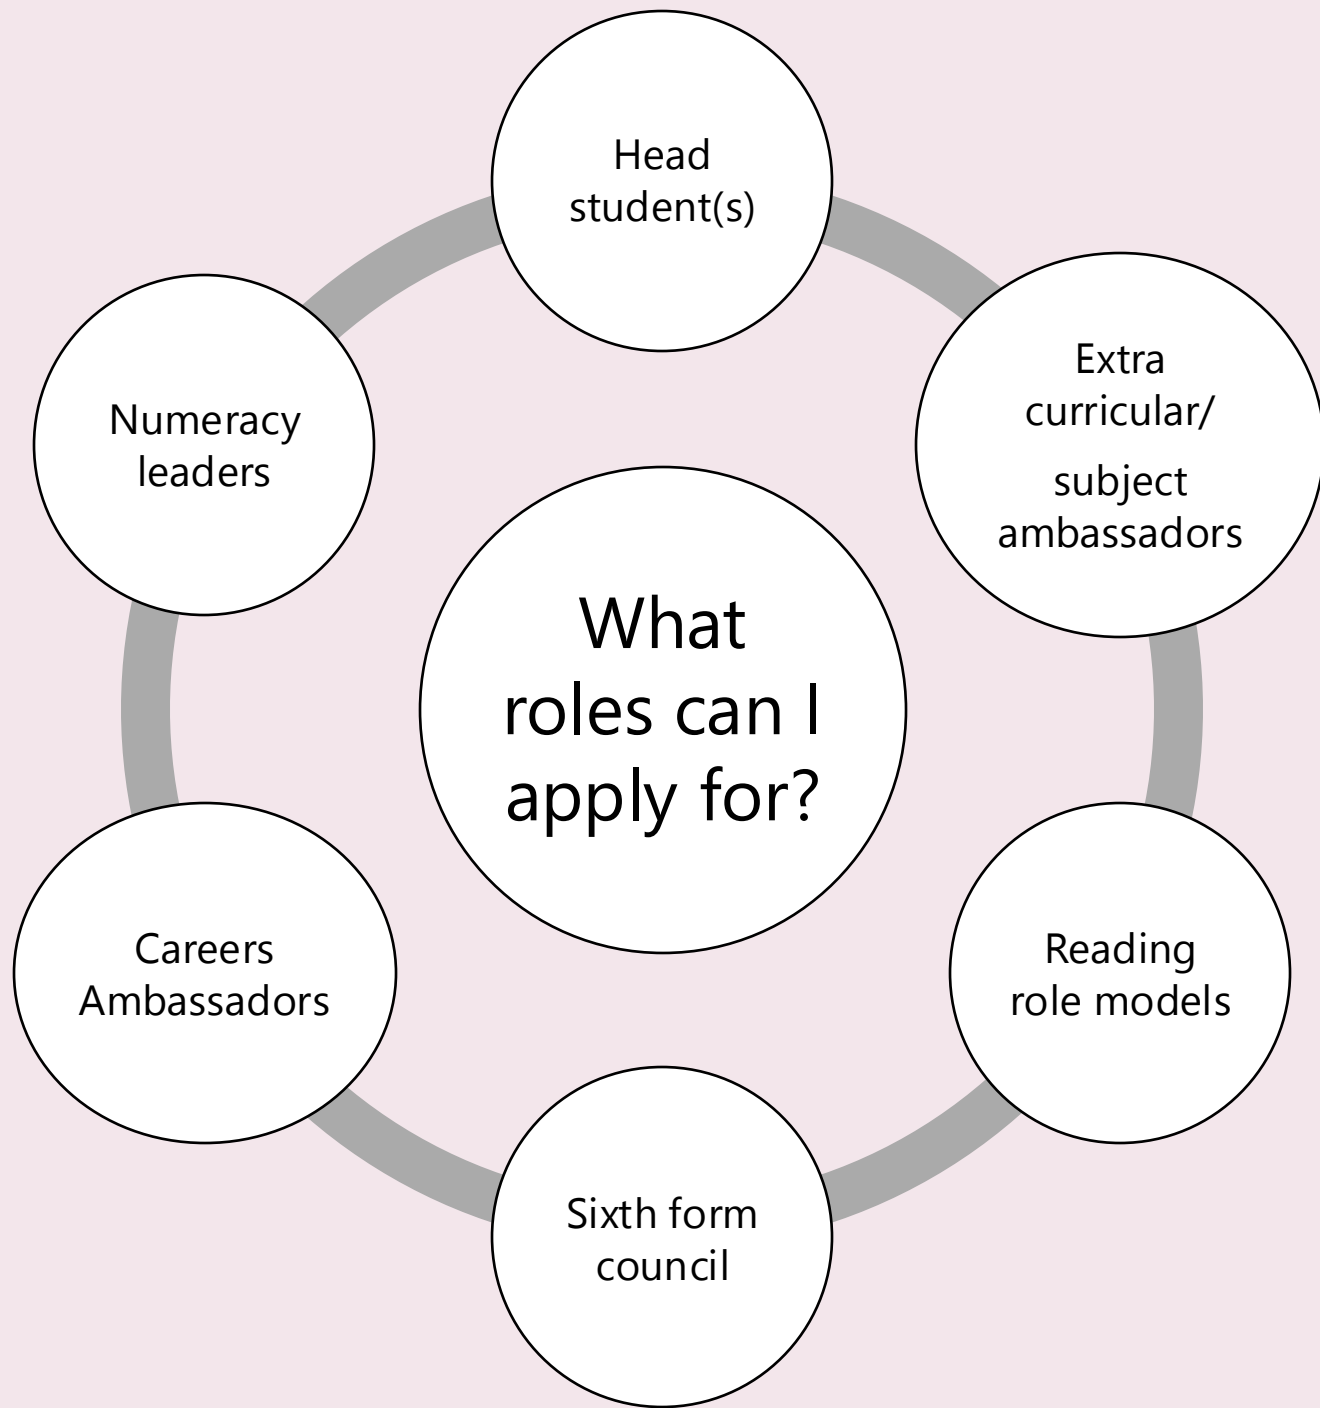

Our curriculum encourages pupils to **think harder** so they **know more**, building **successful, resilient and confident** individuals.

It aims to develop the **knowledge, skills and experiences**, to enable them to become **upstanding citizens** who make **informed and ambitious choices**

- Strong understanding of UCAS and/or apprenticeship applications – be able to guide others through the process
- Being very organised, self driven & resilient towards your goals – be able to support others in doing the same

not exhaustive

How do I apply?/What next?

Everyone is advised to **apply** for **1 role** but **can apply for two** should they wish

- 1) **Complete the MS forms link** – I'd advise you write your application notes on paper or word first and have someone proof read this for you. - <https://forms.office.com/e/bFseJrVv3E>
- 2) Pick a referee who knows you well – has to be a current form tutor or subject teacher from sixth form
- 3) If required, I will then send a short MS forms link to your referee to get their professional opinion on whether or not you are suitable for the applied role
