

Our Ref: CS/KS/Careers Fair

Date: 19th January 2026

Dear Parent/Carer,

**Dame Elizabeth
Cadbury School**
www.decschool.co.uk

We are pleased to inform you that Dame Elizabeth Cadbury will be hosting a **Careers Fair on Wednesday 21 January 2026** in the school sports hall.

This event will be open to **students from all year groups** and is designed to support them in exploring future pathways and making informed decisions about education, training, and employment. The Careers Fair will include a wide range of organisations, including:

- Apprenticeship and training providers
- Higher education institutions
- Local and national employers from a variety of career sectors

The key aims of the Careers Fair are to enable students to:

1. Gain knowledge and understanding of different careers and jobs through face-to-face discussions with a range of organisations.
2. Find out what it is really like to work within specific career sectors.
3. Understand the skills, qualifications, and pathways required to enter prospective careers.
4. Recognise the importance of achieving and doing well at school, including in their GCSE examinations.
5. Support decision-making when choosing GCSE subjects or post-16 pathways.

Students will have the opportunity to ask questions, explore different options, and gain valuable insight into the world of work and further education. This event forms an important part of our careers education programme and supports our commitment to preparing students for life beyond school.

Further details, including how and when individual year groups will attend, will be shared with students in advance.

Thank you for your continued support in helping us guide students towards successful and aspirational futures.

Yours sincerely

Mr C Seager
Head of School
