Our ref: CS/Year 11/SatuRevision

Date: 5<sup>th</sup> May 2026

Dear parents and carers,

We are delighted to offer a series of live online revision sessions for English and Mathematics (and a range of other subjects) to support our pupils with their final exam revision. The online sessions will be the night before all exams listed below and designed for final revision for these exams. Pupils will also be able to use the text chat to ask any final questions before their exam.

For live online revision sessions, pupils should:

- Press the link in the table for the relevant date
- If prompted, log in via their school email account
- If using a phone, it may also ask them to download the Microsoft Teams application to their phones

All year 11 pupils have been sent a copy of this table and calendar invites to their school email accounts. A copy of this table is also on our website here: <https://decschool.co.uk/exams/>

We look forward to supporting your child in their revision further.
