DEC Pupil Voice – Your Voice Matters

Over the next two weeks, all pupils at Dame Elizabeth Cadbury School will be taking part in 'DEC Pupil Voice', an opportunity to share their views and help shape improvements across our school

All pupils have attended assemblies explaining what pupil voice means, why their feedback matters and how they can contribute thoughtfully and constructively. We want every pupil to feel listened to and to recognise that their experiences and ideas can make a positive difference.

Pupils will be invited to give feedback on aspects of school life, including their sense of belonging, PSHE, personal development and extra-curricular opportunities. We will encourage them to reflect on what works well and where they feel improvements could be made, giving honest, respectful feedback and practical suggestions.

We will use their responses to identify strengths and priorities for improvement. We will also share the key findings and resulting actions with pupils, helping them see how their voices have influenced decisions.

Please support this process by talking with your child about their experiences at DEC and encouraging them to take part. While we may not be able to act on every suggestion, we will consider their feedback carefully.

Thank you for your continued support as we work together to ensure that every pupil feels included, valued and heard.

Yours sincerely

Mr C Seager
